

# 'Come & Try' target sports shooting at the SSAA Goolwa Pistol and Shooting Club

**Saturday 22nd July at 1:00pm**  
**59 Peel Road, Currency Creek**

An introduction to firearms safety awareness and for anyone to come and try sports target shooting session is to be held at the SSAA Goolwa Ranges. Try your target shooting with either an air pistol, air rifle, rimfire pistols and 22 rimfire rifles.

The afternoon commences with introduction to our firearms safety first before you can have a "hands on" at either 25m or 50m at paper target shooting. All activities are fully supervised by our Firearms Trainers and Range Officers and are under cover from the weather. Anyone is welcome to participate and have a go.

Target shooting is an Olympic sport and one in which Australia has an excellent record. Success requires concentration and the disciplined control of both mind and body. It is a sport in which both genders, young and old, can compete together and which is available to families and many people to whom a lot of sport is inaccessible, for example those who are blind or disabled.

**Proudly sponsored by the club**

**Everyone is welcome**

**No charge**

**Free on the Saturday**
